

Daintree

Clean, elegant lines give the Daintree the 'wow' factor and it's certainly no slouch when it comes to great features.

Living the great Queensland lifestyle is a breeze with the integrated alfresco space that opens up to extend the living area, or closed off for more intimate evenings. Kids will be in heaven with three double bedrooms centred around the integrated family space and separate living area.

Parents can escape to have their quiet time in a luxurious master bedroom situated away from the bustle of family life.

A double garage integrates discreetly into the overall façade with plenty of storage space for the necessities of a busy family life.
