Gracious living is the keynote to the Endeavour with its contemporary elegance and clean lines that maximise the indoor-outdoor lifestyle that Queenslanders love.

Three generous double bedrooms clustered around a separate bathroom and toilet ensure the kids have their own space while the large master bedroom with generous ensuite and walk in wardrobes gives parents a retreat. An integrated alfresco area turns the open plan kitchen and dining area into a great entertaining area when needed for warmer Queensland days, or it can be closed off for quieter times.

Ideal for larger sections, the Endeavour's generous double garage and driveway gives you plenty of space for hosing down the boat after a day's fishing, and smart design creates a great outdoor space for family time with the kids.
